

Remote 1/1GN COUNTER

GENERAL FEATURES

- Ext & int 304 S/S ; Back and base galvanized
- Anti-condensation door mullion heaters
- Remote condensing unit
- Forced air cooling system
- Hygienic one-piece S/S dished base with round corners
- Removable door gasket ; Digital smart controller
- Adjustable PE coated shelves; Accommodates with 1/1GN size
- Self-vaporizing system, no need drainage connect
- Environmental friendly refrigerant; CFC-free insulation
- High density insulation foam 43 kg/m³
- Integrated bending handle
- Less 90° self closing door, over 90° door opening
- Adjustable legs or castors (Optional)
- Cylindrical door locks
- Designed to operate up to 43 C
